The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED. A review of the judgment of divorce showed appellant was given physical and legal custody rights over the child. Since appellant retained these rights after the entry of the December 9, 2005 order, the custody of a minor was not affected. Alternatively, appellant was not aggrieved by the December 2005 order as her custodial rights remained the same. Either way, this Court did not err when it dismissed appellant's appeal on the ground that the order appealed was a postjudgment order in a domestic relations action that did not affect the custody of a minor. See MCR 7.202(6)(a)(iii) and 7.203(A)(1).
